

51000.6 Change of Ownership

"Change of Ownership" means:

(a)

For a partnership, the removal, addition, or substitution of a partner.

(b)

For an unincorporated sole proprietorship, the transfer of title and property to another person.

(c)

For a corporation, the merger of the applicant's or provider's corporation into another corporation, or the consolidation of two or more corporations, resulting in the creation of a new corporation. The transfer of corporate stock or the merger of another corporation into the applicant's or provider's corporation does not constitute a "change of ownership" but may constitute a "change of ownership or control interest," as defined in Section 51000.15, and may require disclosure under Section 51000.35, or a reporting of changed or additional information pursuant to Section 51000.40.

(d)

For a lease, the lease of all or part of an applicant's or provider's facility constitutes a change of ownership of the leased portion.
