

## **51492.2 Participation Fee Requirements in the Targeted Case Management Program**

### **(a)**

The department shall perform administrative activities, including technical support, processing claims, and program monitoring for local governmental agencies participating in the targeted case management program, pursuant to Welfare and Institutions Code, Section 14132.44.

### **(b)**

Local governmental agencies shall pay the department's costs of performing administrative activities described in subsection (a).

### **(c)**

Local governmental agencies shall designate a host county as defined in Section 51185(c). Each participating local governmental agency shall deposit with the host county an annual participation fee, for that local governmental agency's portion of the costs described in subsection (b), through a mechanism agreed to by the department and local governmental agencies.
