(i)

Each facility shall certify on the form provided by the Department that an additional \$1.84 per patient day for the period of March 1, 1978 through June 30, 1978, was expended for increased nonadministrative employee wages and benefits. Facilities will be exempted from this certification requirement if the entry wage level of the lowest paid nonadministrative employee exceeded \$3.97 an hour on March 1, 1978. Facilities exceeding the \$3.97 hourly wage shall certify that the additional funds received were used to ensure the continued delivery of quality care in such facility. (1) The Department shall inspect relevant payroll and personnel records of facilities which are reimbursed for care of Medi-Cal patients under this section to insure that the wage increases provided for in the March 1, 1978, rate increases have been implemented. Any facility which has not made the wage and benefit increases required by this subsection shall be liable to the State for the amount of funds paid to such facilities for these wage increases, but not distributed to employees, plus a penalty of ten percent of the funds not distributed. The facility shall also be subject to the provisions of Section 14107, Welfare and Institutions Code. (2) For purposes of this section, the base from which employee wages and benefits shall be increased shall be the payroll for nonadministrative employees for the month of December, 1977 and shall include only nonovertime hours worked by covered employees. The amount of funds to be distributed per month for the period March 1, 1978 to and including June 30, 1978 for nonadministrative employee wages and benefits shall equal the total Medi-Cal patient days for the month of December, 1977 multiplied by \$1.84 plus any amount expended pursuant to Section 1439.7 of the Health and Safety Code for

purposes of wage increases during the March 1, 1978 through June 30, 1978 effective period.

(1)

The Department shall inspect relevant payroll and personnel records of facilities which are reimbursed for care of Medi-Cal patients under this section to insure that the wage increases provided for in the March 1, 1978, rate increases have been implemented. Any facility which has not made the wage and benefit increases required by this subsection shall be liable to the State for the amount of funds paid to such facilities for these wage increases, but not distributed to employees, plus a penalty of ten percent of the funds not distributed. The facility shall also be subject to the provisions of Section 14107, Welfare and Institutions Code.

(2)

The amount of funds to be distributed per month for the period March 1, 1978 to and including June 30, 1978 for nonadministrative employee wages and benefits shall equal the total Medi-Cal patient days for the month of December, 1977 multiplied by \$1.84 plus any amount expended pursuant to Section 1439.7 of the Health and Safety Code for purposes of wage increases during the March 1, 1978 through June 30, 1978 effective period.

(j)

By July 1, 1978, and annually thereafter, each facility shall certify on the form provided by the Department that: (1) All nonadministrative employees of the facility employed less than three months shall receive a minimum wage level equivalent to the federal minimum wage plus fifty percent of the facility's average

hourly wage increase established for the period March through June 1978 pursuant to subsection (i). (2) All nonadministrative employees of the facility employed for three months or more shall receive a minimum wage level equivalent to the federal minimum wage plus the facility's total average hourly wage increase established for the period March through June 1978 pursuant to subsection (i). (3) Any employee who was employed by the facility for the period March through June 1978 shall not receive a lower wage than the wage received by that employee pursuant to subsection (i) for the March through June 1978 period. (4) Any wage increase for certified nurse assistants required by subsection (g) shall be in addition to any of the average wages certified to in this subsection.

(1)

All nonadministrative employees of the facility employed less than three months shall receive a minimum wage level equivalent to the federal minimum wage plus fifty percent of the facility's average hourly wage increase established for the period March through June 1978 pursuant to subsection (i).

(2)

All nonadministrative employees of the facility employed for three months or more shall receive a minimum wage level equivalent to the federal minimum wage plus the facility's total average hourly wage increase established for the period March through June 1978 pursuant to subsection (i).

(3)

Any employee who was employed by the facility for the period March through June 1978 shall not receive a lower wage than the wage received by that employee pursuant to subsection (i) for the March through June 1978 period.

(4)

Any wage increase for certified nurse assistants required by subsection (g) shall be in

addition to any of the average wages certified to in this subsection.
