

## **53110 Control**

Control means the possession, directly or indirectly, of the power to direct or cause the direction of the management or policies of a plan. Such power may be exercised through one or more intermediary companies, or alone, or in conjunction with, or pursuant to an agreement. Such power may be established through a majority or minority ownership or voting of securities, common directors, officers or stockholders, voting trusts, holding trusts, affiliates, contract or any other direct or indirect means.
