Section 56252@ Reinsurance

56252 Reinsurance

(a)

The provisions of section 56251 notwithstanding, the PCCM plan may obtain reinsurance for the cost of providing capitated services, subject to the following conditions: (1) Reinsurance shall not reduce the PCCM plan's liability below the minimum liability per member for any one12-month period, as set forth in the PCCM contract. (2) Reinsurance may cover both of the following:(A) The total cost of capitated services provided to members under emergency circumstances by nonplan providers. (B) Up to 90 percent of all expenditures related to the contract exceeding 115 percent of the PCCM plan's gross income from capitation payments and third-party recoveries under the terms of the contract during any PCCM plan fiscal year.

(1)

Reinsurance shall not reduce the PCCM plan's liability below the minimum liability per member for any one12-month period, as set forth in the PCCM contract.

(2)

Reinsurance may cover both of the following:(A) The total cost of capitated services provided to members under emergency circumstances by nonplan providers. (B) Up to 90 percent of all expenditures related to the contract exceeding 115 percent of the PCCM plan's gross income from capitation payments and third-party recoveries under the terms of the contract during any PCCM plan fiscal year.

(A)

The total cost of capitated services provided to members under emergency circumstances by nonplan providers.

(B)

Up to 90 percent of all expenditures related to the contract exceeding 115 percent of the PCCM plan's gross income from capitation payments and third-party recoveries under the terms of the contract during any PCCM plan fiscal year.
