Section 63810@ Interim Certification of Distribution Operators

63810 Interim Certification of Distribution Operators

(a)

A distribution operator in a position responsible for making decisions identified in section 63770(b), (c), or (d) on December 31, 2000, shall be eligible for interim certification provided that the employing water supplier, as defined in section 64402.20, submits an application which shall include for each employee: (1) The employee's full name, social security number (pursuant to the authority found in sections 100275 and 106910 of the Health and Safety Code and as required by section 17520 of the Family Code, providing the social security number is mandatory. The social security number will be used for purposes of identification), date of birth, certificate number of any operator certificates ever held, mailing address, work telephone number, and home telephone number. (2) The grade at which the operator will be certified. (3) The certification fee specified in Table 63850-C.

(1)

The employee's full name, social security number (pursuant to the authority found in sections 100275 and 106910 of the Health and Safety Code and as required by section 17520 of the Family Code, providing the social security number is mandatory. The social security number will be used for purposes of identification), date of birth, certificate number of any operator certificates ever held, mailing address, work telephone number, and home telephone number.

(2)

The grade at which the operator will be certified.

(3)

The certification fee specified in Table 63850-C.

(b)

Interim distribution operator certificates shall be effective as of January 1, 2001, and shall expire on January 1, 2004. Such certificates may be renewed only once for an additional 3 years and only if the water system has not received any notice of violation, citation, or order from the Department or EPA since January 1, 2001, unless the public water system can demonstrate to the satisfaction of the Department that the violation was not the result of actions taken or not taken by the operator(s). After January 1, 2007, all interim operator certificates shall be invalid.

(c)

In order to renew an interim certificate, a water supplier shall submit a renewal application between July 1, 2003 and September 1, 2003. The renewal application shall include the following: (1) The operator's name, social security number (pursuant to the authority found in sections 100275 and 106910 of the Health and Safety Code and as required by section 17520 of the Family Code, providing the social security number is mandatory. The social security number will be used for purposes of identification), current mailing address, certificate grade, and certificate number. (2) Payment of the renewal fee specified in section 63850(e). (3) Documentation of continuing education contact hours as required by section 63840.

(1)

The operator's name, social security number (pursuant to the authority found in

sections 100275 and 106910 of the Health and Safety Code and as required by section 17520 of the Family Code, providing the social security number is mandatory. The social security number will be used for purposes of identification), current mailing address, certificate grade, and certificate number.

(2)

Payment of the renewal fee specified in section 63850(e).

(3)

Documentation of continuing education contact hours as required by section 63840.
