

64252 Primacy Delegation Application

(a)

The primacy delegation application submitted by a local health officer pursuant to section 116330 of the Health and Safety Code shall describe how the primacy requirements of this article will be complied with and shall contain the following information relating to the small water system program to be delegated: (1) The number of staff persons, percentage of time and personnel classification of each staff person, and a description of the program responsibilities of each person involved in the small water system program; (2) A proposed program budget projecting both revenues and expenditures for the first year of the program. The expenditures categories shall include personnel, general expense (i.e., rent, supplies and communications), travel, equipment, data management, any other specific services to be provided (e.g., laboratory), administrative overhead and other indirect charges. The anticipated revenues shall specify all planned sources of revenues to be used for support of the small water system program; (3) A description of engineering and legal resources to be used in conducting the program; (4) A description of the electronic data management system to be used to comply with the requirements of section 64256(e) and the compatibility of the proposed system with the data management system used by the State Board; (5) A description of the current status of compliance with Division 104, Part 1, Chapters 4 and 5; Division 104, Part 12, Chapters 4 and 5 of the Health and Safety

Code and California Code of Regulations, Title 22, Division 4, Chapters 15, 15.5, 17, and 17.5 of the small water systems within the county. This description shall include the following: (A) All violations of drinking water monitoring or reporting requirements by any of the systems during the 12 months preceding the submission of the application for primacy; (B) All violations of standards of California Code of Regulations, Title 22, Division 4, Chapters 15, 15.5, 17, and 17.5 during the 12 months preceding the submission of the application for primacy; and (C) All enforcement actions against small water systems taken by the county during the 12 months preceding the submission of the application for primacy. (6) A current inventory list of the small water systems within the county. For each small water system the inventory list shall specify the system name, water system identification number, mailing address, type of system (community, nontransient noncommunity or noncommunity), name and address and phone number of the responsible party, type of ownership, type of water source, type of treatment if any, dates of operation for seasonally operated systems, and either: (A) For a community water system, the number of service connections; or (B) For a noncommunity or nontransient noncommunity water system, the average monthly population served. (7) Demonstration that the local primacy agency will be able to immediately undertake the activities specified as local primacy program requirements in section 64253 at the time of delegation; and (8) An annual workplan, as required pursuant to section 64260, which, at the discretion of the State Board, may be submitted separately following the State Board's review of the remainder of the application.

(1)

The number of staff persons, percentage of time and personnel classification of each staff person, and a description of the program responsibilities of each person involved

in the small water system program;

(2)

A proposed program budget projecting both revenues and expenditures for the first year of the program. The expenditures categories shall include personnel, general expense (i.e., rent, supplies and communications), travel, equipment, data management, any other specific services to be provided (e.g., laboratory), administrative overhead and other indirect charges. The anticipated revenues shall specify all planned sources of revenues to be used for support of the small water system program;

(3)

A description of engineering and legal resources to be used in conducting the program;

(4)

A description of the electronic data management system to be used to comply with the requirements of section 64256(e) and the compatibility of the proposed system with the data management system used by the State Board;

(5)

A description of the current status of compliance with Division 104, Part 1, Chapters 4 and 5; Division 104, Part 12, Chapters 4 and 5 of the Health and Safety Code and California Code of Regulations, Title 22, Division 4, Chapters 15, 15.5, 17, and 17.5 of the small water systems within the county. This description shall include the following:

(A) All violations of drinking water monitoring or reporting requirements by any of the systems during the 12 months preceding the submission of the application for primacy; (B) All violations of standards of California Code of Regulations, Title 22, Division 4, Chapters 15, 15.5, 17, and 17.5 during the 12 months preceding the submission of the application for primacy; and (C) All enforcement actions against small water systems taken by the county during the 12 months preceding the

submission of the application for primacy.

(A)

All violations of drinking water monitoring or reporting requirements by any of the systems during the 12 months preceding the submission of the application for primacy;

(B)

All violations of standards of California Code of Regulations, Title 22, Division 4, Chapters 15, 15.5, 17, and 17.5 during the 12 months preceding the submission of the application for primacy; and

(C)

All enforcement actions against small water systems taken by the county during the 12 months preceding the submission of the application for primacy.

(6)

A current inventory list of the small water systems within the county. For each small water system the inventory list shall specify the system name, water system identification number, mailing address, type of system (community, nontransient noncommunity or noncommunity), name and address and phone number of the responsible party, type of ownership, type of water source, type of treatment if any, dates of operation for seasonally operated systems, and either: (A) For a community water system, the number of service connections; or (B) For a noncommunity or nontransient noncommunity water system, the average monthly population served.

(A)

For a community water system, the number of service connections; or

(B)

For a noncommunity or nontransient noncommunity water system, the average monthly population served.

(7)

Demonstration that the local primacy agency will be able to immediately undertake the activities specified as local primacy program requirements in section 64253 at the time of delegation; and

(8)

An annual workplan, as required pursuant to section 64260, which, at the discretion of the State Board, may be submitted separately following the State Board's review of the remainder of the application.

(b)

The application shall be signed by the local health officer or by a local official with the authority to submit the application on behalf of the county.
