

64260 Workplans

(a)

Each local primacy agency shall develop and submit to the State Board a proposed annual program workplan for the upcoming fiscal year. The local primacy agency shall submit the proposed annual workplan to the State Board no later than May 1 of each year for the fiscal year commencing July 1 of that year; except for the initial proposed annual workplan submitted in accordance with section 64252.

(b)

The workplan developed pursuant to subsection (a) shall describe the activities proposed to be performed by the local primacy agency during the forthcoming fiscal year and shall include: (1) The anticipated number of new small water system permits to be issued and the proposed number of existing community or noncommunity permits (designated by category) to be updated or amended. (2) A description of how the small water system inventory specified in section 64255(a) will be maintained. (3) A description of how the surveillance activities specified in section 64255(b) through (f) will be conducted and the priorities to be used in determining the activities to be performed. (4) The number of planned routine inspections and sanitary surveys to be performed for each category of small water systems (community, noncommunity and nontransient noncommunity). (5) A listing of small water systems proposed for enforcement

action and the priorities to be used in determining these systems.

(1)

The anticipated number of new small water system permits to be issued and the proposed number of existing community or noncommunity permits (designated by category) to be updated or amended.

(2)

A description of how the small water system inventory specified in section 64255(a) will be maintained.

(3)

A description of how the surveillance activities specified in section 64255(b) through (f) will be conducted and the priorities to be used in determining the activities to be performed.

(4)

The number of planned routine inspections and sanitary surveys to be performed for each category of small water systems (community, noncommunity and nontransient noncommunity).

(5)

A listing of small water systems proposed for enforcement action and the priorities to be used in determining these systems.
