

65541 Health of Employees and Public Pool Users

(a)

No public pool employee having a communicable disease while in an infectious state shall work in any capacity involving contact with pool users, pool water, or the operation of the pool equipment and ancillary facilities at a public pool unless a current written statement is provided by a licensed physician as prescribed in subdivision (b).

(b)

No public pool employee or pool user having a communicable disease while in an infectious state, including, but not limited to, *Cryptosporidium*, giardia, Legionnaires' disease, and *Pseudomonas aeruginosa* infection, or while having any symptoms such as a cough, cold sore, or nasal or ear discharge or when wearing bandages, shall not enter public pool water unless the public pool employee or pool user submits a current written statement to the pool operator, signed by a licensed physician, confirming that the public pool employee or pool user does not present a health hazard to others using the public pool or ancillary facilities.

(c)

If two or more lifeguards or pool users at a public pool report within 5 days of each other to the pool operator that they have had diarrhea, the pool operator shall report this to the enforcing agent.
