

66250 General Provisions

The Political Reform Act (Government Code Section 81000 et seq.) requires state and local government agencies to adopt and promulgate conflict-of-interest codes. The Fair Political Practices Commission has adopted a regulation (2 California Code of Regulations Section 18730) that contains the terms of a standard conflict-of-interest code, which can be incorporated by reference in an agency's code. After public notice and hearing, the standard code may be amended by the Fair Political Practices Commission to conform to amendments in the Political Reform Act. Therefore, the terms of 2 California Code of Regulations Section 18730 and any amendments to it duly adopted by the Fair Political Practices Commission are hereby incorporated by reference. This regulation and the attached Sections, designating positions and establishing disclosure categories, shall constitute the conflict-of-interest code of the Department of Toxic Substances Control (Department).

The Director of the Department must file his/her statements of economic interests electronically with the Fair Political Practices Commission. All other individuals holding designated positions must file their statements with the Department. All statements must be made available for public inspection and reproduction under Government Code Section 81008 .
