

66262.40 Recordkeeping

(a)

A generator shall keep a copy of each manifest signed in accordance with section 66262.23(a) for three years or until the generator receives a signed copy from the designated facility which received the waste. This signed copy shall be retained as a record for at least three years from the date the waste was accepted by the initial transporter.

(b)

A generator shall keep a copy of each Biennial Report and Exception Report for a period of at least three years from the due date of the report.

(c)

A generator shall keep records of any test results, waste analyses, or other determinations made in accordance with section 66262.11 for at least three years from the date that the waste was last sent to on-site or off-site treatment, storage, or disposal.

(d)

The periods or retention referred to in this section are extended automatically during the course of any unresolved enforcement action regarding the regulated activity or as requested by the USEPA Administrator or the Department.
