Section 66264.2@ Compliance Schedule for Permit Modifications

66264.2 Compliance Schedule for Permit Modifications

The owner or operator of a hazardous waste facility who has received a hazardous waste facility permit on or before the effective date of this division and who is required to comply with the provisions of this chapter, shall submit a permit modification request pursuant to chapter 20, article 4 of this division to the Department within 180 days of July 1, 1991. The modification request shall describe the exact change(s) to be made to the facility to comply with the provisions of this chapter. The owner or operator of such a facility shall implement the approved modification(s) according to a schedule of compliance established by the Department.
