

66265.140 Applicability

(a)

The requirements of sections 66265.142, 66265.143, and 66265.147 through 66265.148 apply to owners or operators of all hazardous waste facilities, as defined in section 66260.10, except as provided otherwise in this article.

(b)

The requirements of sections 66265.144 and 66265.146 apply only to owners and operators of hazardous waste facilities which are: (1) disposal facilities; (2) tank systems that are required under section 66265.197 to meet the requirements for landfills; and (3) containment buildings that are required under section 66265.1102 to meet the requirements for landfills.

(1)

disposal facilities;

(2)

tank systems that are required under section 66265.197 to meet the requirements for landfills; and

(3)

containment buildings that are required under section 66265.1102 to meet the requirements for landfills.

(c)

States and the Federal government are exempt from the requirements of this

article.

(d)

For purposes of this article, state government shall not include municipal, local, city, county, city-county special district government or any subdivisions thereof.
