66265.173 Management of Containers

(a)

Section 66265.173@ Management of Containers

A container holding hazardous waste shall always be closed during transfer and storage, except when it is necessary to add or remove waste.

(b)

A container holding hazardous waste shall not be opened, handled, transferred or stored in a manner which may rupture the container or cause it to leak. Re-use of containers for transportation shall comply with the requirements of the U.S.

Department of Transportation regulations, including those set forth in 49 CFR section 173.28.
