Section 66265.714@ Recordkeeping and Reporting at Interim Status Facilities

66265.714 Recordkeeping and Reporting at Interim Status Facilities

(a)

Unless the owner or operator provides monitoring that satisfies the requirements of section 66265.713(d), the owner or operator shall report monitoring information to the Department at least annually, including the concentrations or values of the parameters in accordance with section 66265.712 for each sampling station.

(b)

If the owner or operator provides monitoring that satisfies the requirements of section 66265.713(d), the owner or operator shall:(1) keep records of the analyses and evaluations specified in the plan, which satisfies the requirements of section 66265.713(c), throughout the active life of the facility and, for disposal facilities, throughout the post-closure care period as well; (2) annually, until final closure of the facility, submit to the Department a report containing the results of the environmental quality assessment program which includes, but is not limited to, the calculated (or measured) rate of migration of hazardous waste or hazardous waste constituents in soil, soil-pore gas, and in air during the reporting period. This report shall be submitted as part of the annual report required under section 66265.75.

(1)

keep records of the analyses and evaluations specified in the plan, which satisfies the requirements of section 66265.713(c), throughout the active life of the facility and, for disposal facilities, throughout the post-closure care period as well;

(2)

annually, until final closure of the facility, submit to the Department a report containing the results of the environmental quality assessment program which includes, but is not limited to, the calculated (or measured) rate of migration of hazardous waste or hazardous waste constituents in soil, soil-pore gas, and in air during the reporting period. This report shall be submitted as part of the annual report required under section 66265.75.
