

66270.71 Operation During Interim Status

(a)

During the interim status period the facility shall not: (1) transfer, treat, store, or dispose of hazardous waste not specified in Part A of the permit application; (2) employ processes not specified in Part A of the permit application; or (3) exceed the design capacities specified in Part A of the permit application.

(1)

transfer, treat, store, or dispose of hazardous waste not specified in Part A of the permit application;

(2)

employ processes not specified in Part A of the permit application; or

(3)

exceed the design capacities specified in Part A of the permit application.

(b)

Interim status standards. During interim status, owners or operators shall comply with the interim status standards in chapter 15 of this division.
