Section 66271.32@ Public Notice Requirements at the Application Stage

66271.32 Public Notice Requirements at the Application Stage

(a)

Applicability. The requirements of this section shall apply to all RCRA part B applications seeking initial RCRA permits for hazardous waste management units. The requirements of this section shall also apply to RCRA part B applications seeking renewal of permits for such units under section 66270.51. The requirements of this section do not apply to permit modifications under section 66270.42 or permit applications submitted for the sole purpose of conducting post-closure activities or post-closure activities and corrective action at a facility.

(b)

Notification at application submittal. (1) The Director shall provide public notice as set forth in section 66271.9(c)(1)(D), and notice to appropriate units of State and Local government as set forth in section 66271.9(c)(1)(E), that a part B permit application has been submitted to the Department and is available for review. (2) The notice shall be published within a reasonable period of time after the application is received by the Director. The notice must include: (A) The name and telephone number of the applicant's contact person; (B) The name and telephone number of the Department's office charged with issuance of the permit, and a mailing address to which information, opinions, and inquiries may be directed throughout the permit review process; (C) An address to which people

can write in order to be put on the facility mailing list; (D) The location where copies of the permit application and any supporting documents can be viewed and copied; (E) A brief description of the facility and proposed operations, including the address or a map (e.g., a sketched or copied street map) of the facility location on the front page of the notice; and (F) The date that the application was submitted.

(1)

The Director shall provide public notice as set forth in section 66271.9(c)(1)(D), and notice to appropriate units of State and Local government as set forth in section 66271.9(c)(1)(E), that a part B permit application has been submitted to the Department and is available for review.

(2)

The notice shall be published within a reasonable period of time after the application is received by the Director. The notice must include: (A) The name and telephone number of the applicant's contact person; (B) The name and telephone number of the Department's office charged with issuance of the permit, and a mailing address to which information, opinions, and inquiries may be directed throughout the permit review process; (C) An address to which people can write in order to be put on the facility mailing list; (D) The location where copies of the permit application and any supporting documents can be viewed and copied; (E) A brief description of the facility and proposed operations, including the address or a map (e.g., a sketched or copied street map) of the facility location on the front page of the notice; and (F) The date that the application was submitted.

(A)

The name and telephone number of the applicant's contact person;

(B)

The name and telephone number of the Department's office charged with issuance of the permit, and a mailing address to which information, opinions, and inquiries may be directed throughout the permit review process;

(C)

An address to which people can write in order to be put on the facility mailing list;

(D)

The location where copies of the permit application and any supporting documents can be viewed and copied;

(E)

A brief description of the facility and proposed operations, including the address or a map (e.g., a sketched or copied street map) of the facility location on the front page of the notice; and

(F)

The date that the application was submitted.

(c)

Concurrent with the notice required under section 66271.32(b) of this article, the Director shall place the permit application and any supporting documents in a location accessible to the public in the vicinity of the facility or at the Department office charged with the issuance of the permit.
