Section 66273.61@ Offsite Shipments

66273.61 Offsite Shipments

(a)

The owner or operator of a destination facility is prohibited from sending or taking universal waste to a place other than a universal waste handler, another destination facility, or a foreign destination.

(b)

The owner or operator of a destination facility may reject a shipment containing universal waste, or a portion of a shipment containing universal waste. If the owner or operator of the destination facility rejects a shipment or a portion of a shipment, the owner or operator shall contact the shipper to notify the shipper of the rejection and to discuss reshipment of the load. The owner or operator of the destination facility shall: (1) Send the shipment back to the original shipper; or (2) If agreed to by both the shipper and the owner or operator of the destination facility, send the shipment to another destination facility.

(1)

Send the shipment back to the original shipper; or

(2)

If agreed to by both the shipper and the owner or operator of the destination facility, send the shipment to another destination facility.

(c)

If the owner or operator of a destination facility receives as universal waste, a

shipment containing hazardous waste that is not a universal waste, the owner or operator of the destination facility shall immediately notify the Department of the illegal shipment, and provide the name, address, and telephone number of the shipper. The Department will provide instructions for managing the hazardous waste.

(d)

If the owner or operator of a destination facility receives as universal waste, a shipment of nonhazardous waste, the owner or operator shall manage the nonhazardous waste in any way that is in compliance with applicable federal, state and local solid waste regulations.
