

67384.6 Containment Best Management Practice Requirements for the Storage, Processing and Manufacturing of Perchlorate Materials

(a)

Unless listed in subsection (b) of this section, perchlorate materials not packaged or constructed as specified in section 67384.5 during storage, processing and manufacturing, shall be contained in weather-resistant structures with floors that:

(1) are adequately water-resistant to prevent seepage into or out of the containment structure; (2) do not have drains that release to the environment unless the discharge complies with section 67384.10; and (3) are of adequate strength to support the loads.

(1)

are adequately water-resistant to prevent seepage into or out of the containment structure;

(2)

do not have drains that release to the environment unless the discharge complies with section 67384.10; and

(3)

are of adequate strength to support the loads.

(b)

Containment requirements specified in this section shall not apply to the

following: (1) Perchlorate-containing water resulting solely from treatment with a sanitizer, disinfectant, or bleach; (2) Manufacturing processes, which because of explosion risk, are not conducted within a weather-resistant structure, but meet all other requirements of subsection (a) above; (3) Fertilizers stored by end users for less than thirty (30) days on the site of intended application; (4) Consumer commodities used or stored at a household; and (5) Safe and sane fireworks sold or offered for sale at a permitted temporary retail outlet.

(1)

Perchlorate-containing water resulting solely from treatment with a sanitizer, disinfectant, or bleach;

(2)

Manufacturing processes, which because of explosion risk, are not conducted within a weather-resistant structure, but meet all other requirements of subsection (a) above;

(3)

Fertilizers stored by end users for less than thirty (30) days on the site of intended application;

(4)

Consumer commodities used or stored at a household; and

(5)

Safe and sane fireworks sold or offered for sale at a permitted temporary retail outlet.
