

## **69600.1 Scope and Purpose**

### **(a)**

This chapter establishes an annual fee upon metal shredding facilities, as defined in section 69600.3(a), of this chapter, in order to reimburse the Department for its costs to implement sections 25150.82 and 25150.84 of chapter 6.5 of division 20 of the Health and Safety Code.

### **(b)**

Nothing in this chapter is a limitation on the authority of any other governmental agency to adopt or enforce additional requirements related to metal shredding facilities or to develop any other regulatory program allowed by law.
