

# § 76059. Distinct Part for the Developmentally Disabled.

---

“Distinct part for the developmentally disabled” means an identifiable unit accommodating beds including but not limited to contiguous rooms, a wing, floor or building that is approved by the Department to provide intermediate care services to developmentally disabled clients under the provisions of these regulations.

Note: Authority cited: Section 208 (a), Health and Safety Code. Reference: Section 1276, Health and Safety Code.
