

## **70245 Clinical Laboratory Service Staff**

### **(a)**

A physician shall have overall responsibility for the clinical laboratory service. This physician shall be certified or eligible for certification in clinical pathology and/or pathologic anatomy by the American Board of Pathology. If such a pathologist is not available on a full-time or regular part-time weekly basis, a physician or a licensed clinical laboratory bioanalyst who is available on a full-time or regular part-time basis may administer the clinical laboratory. In this circumstance, a pathologist, qualified as above, shall provide consultation at suitable intervals to assure high quality service.

### **(b)**

There shall be a physician, clinical laboratory bioanalyst or clinical laboratory technologist on duty or on call at all times to assure the availability of emergency laboratory services.

### **(c)**

There shall be sufficient staff with adequate training and experience to meet the needs of the service being offered.
