

## § 76083. License.

---

“License” means the basic document issued by the Department permitting the operation of a health facility. This document constitutes the authority to receive clients and to perform the services included within the scope of these regulations and as specified on the facility license.

Note: Authority cited: Section 208(a), Health and Safety Code. Reference: Section 1276, Health and Safety Code.

22 CCR § 76083, 22 CA ADC § 76083
