Section 72385@ Activity Program-Staff

## **72385 Activity Program-Staff**

### **(a)**

Activity program personnel with appropriate training and experience shall be available to meet the needs and interests of patients.

### **(b)**

An activity program leader shall be designated by and be responsible to the administration. An activity program leader shall meet one of the following requirements: (1) Have two years of experience in a social or recreational program within the past five years, one year of which was full-time in a patient activities program in a health care setting. (2) Be an occupational therapist, art therapist, music therapist, dance therapist, recreation therapist or occupational therapy assistant. (3) Have satisfactorily completed at least 36 hours of training in a course designed specifically for this position and approved by the Department and shall receive regular consultation from an occupational therapist, occupational therapy assistant or recreation therapist who has at least one year of experience in a health care setting.

#### **(1)**

Have two years of experience in a social or recreational program within the past five years, one year of which was full-time in a patient activities program in a health care setting.

#### **(2)**

Be an occupational therapist, art therapist, music therapist, dance therapist, recreation therapist or occupational therapy assistant.

**(3)**

Have satisfactorily completed at least 36 hours of training in a course designed specifically for this position and approved by the Department and shall receive regular consultation from an occupational therapist, occupational therapy assistant or recreation therapist who has at least one year of experience in a health care setting.
