

§ 76395. Pharmaceutical Services -Stop Orders.

Written policies shall be established limiting the duration of drug therapy in the absence of a prescriber's specific indication of duration of therapy. Stop orders shall be established for all therapeutic drug categories. The prescriber shall be contacted for new orders prior to the termination time established by the policy.

Note: Authority cited: Section 208 (a), Health and Safety Code. Reference: Section 1276, Health and Safety Code.
