

§ 76316. Developmental Program Services -Grouping Criteria.

(a) Clients of grossly different ages, developmental levels and social needs shall not be housed in close physical or social proximity, unless such housing is planned to promote the growth and development of all those housed together.

(b) Clients shall be integrated with peers of comparable social and intellectual development and shall not be segregated on the basis of their handicaps unless such segregation is planned to promote the growth and development of all those grouped together.

Note: Authority cited: Section 208(a), Health and Safety Code. Reference: Section 1276, Health and Safety Code.
