

§ 76307. Developmental Program Services -Program Approval for Developmental Services.

(a) A facility shall submit for review by the Department's Headquarters Review and Approval team a facility program plan for providing developmental program services.

(b) If the program plan is approved by the review team, the facility shall be notified in writing.

(c) If the program plan is disapproved by the review team, the facility shall be notified in writing identifying specific components of the plan that need to be clarified or corrected. The facility may then submit a revised plan to the review team.

Note: Authority cited: Section 208 (a), Health and Safety Code. Reference: Section 1276, Health and Safety Code.
