

73483 Speech Pathology and/or Audiology Service Unit - Staff

(a)

There shall be a speech pathologist and/or audiologist employed a sufficient number of hours to accomplish those tasks listed in Section 73479.

(b)

There may be at least one speech pathology and/or audiology aide to assist in the testing and implementation of the service. The aides shall be registered as speech pathology and/or audiology aides with the Speech-Language Pathology and Audiology and Hearing Aid Dispensers Board and shall work only under the supervision of a speech pathologist and/or audiologist.
