Section 73502@ Consumer Information to be Posted

73502 Consumer Information to be Posted

(a)

The following consumer information shall be conspicuously posted in a prominent location accessible to public view: (1) Name, license number and date of employment of the current facility's administrator. (2) A listing of all services and special programs provided in the facility and those provided through written contracts. (3) A notice that the facility's written admission and discharge policies are available upon request. (4) Most recent licensing visit report supported by the related follow-up plan of correction visit reports. (5) The names and addresses of all previous owners. (6) A listing of all other skilled nursing and intermediate care facilities owned by the same person, firm, partnership, association, corporation or parent or subsidiary corporation, or a subsidiary of the parent corporation. (7) Any revocation and/or suspension actions instituted against the facility during the current or prior licensing period.

(1)

Name, license number and date of employment of the current facility's administrator.

(2)

A listing of all services and special programs provided in the facility and those provided through written contracts.

(3)
