

§ 76387. Pharmaceutical Services - General.

(a) Arrangements shall be made to assure that pharmaceutical services are available to provide clients with prescribed drugs and biologicals.

(b) There shall be conformance with state, federal and local laws regarding dispensing, labeling, storage and administration of drugs.

(c) If a pharmacy is located on the premises, the pharmacy shall be licensed by the California State Board of Pharmacy and approved by the Department. The pharmacy shall not serve the general public unless a separate public entrance or a separate public serving window is utilized. Pharmacies located on the licensed premises of intermediate care facilities shall be opened for inspection upon the request of an authorized Department representative.
