

74664 Operation of a Home Health Agency Across State Lines

Home health agencies, as defined in Section 1727 of the Health and Safety Code, that are based outside of California, and provide services across state lines in California, must have a parent office licensed in this state and meet all applicable requirements. Home health agencies crossing state lines in order to serve rural, scarcely populated areas may meet the special conditions for a license on a case-by-case basis pursuant to Section 74663 .
