

## **75321 Basic Services-General Requirements**

### **(a)**

All advice, diagnosis, and treatment shall be provided only by persons authorized by law to provide such services.

### **(b)**

Diagnostic and therapeutic services for the care and treatment of patients for whom the clinic accepts responsibility shall be provided in the clinic, or arranged for by the clinic with other licensed, certified, or registered providers.

### **(c)**

A psychology clinic shall provide reference materials and written patient care policies and procedures as described in Section 75325, which are approved by the Governing Body and are readily available to clinic personnel.

### **(d)**

The clinic may be required by the Department to obtain consultation where necessary to meet the patient care standards specified in these regulations.
