

75331 Written Administrative Policies

(a)

Written administrative policies shall be established and implemented and shall be reviewed at least annually and revised as necessary.

(b)

The policies shall include but not limited to the following: (1) Management and personnel policies which include job descriptions detailing the functions of each classification of employee or volunteer. (2) Policies for acceptance of a patient and termination of services shall include rate of charge for care, charges for outside services, limitation of services, cause for termination of services and refund policies applying to termination of services. These policies shall be made available to patients or their agents upon admission and upon request and shall be made available to the public upon request. (3) Policies and procedures governing patient treatment records.

(1)

Management and personnel policies which include job descriptions detailing the functions of each classification of employee or volunteer.

(2)

Policies for acceptance of a patient and termination of services shall include rate of charge for care, charges for outside services, limitation of services, cause for termination of services and refund policies applying to termination of services. These
