

§ 76533. Clients' Rights -Reports of Clients' Rights Denied.

(a) All facilities providing services to developmentally disabled clients shall submit reports on Department of Developmental Services approved forms of all clients' rights that have been denied . These reports shall be submitted to the agency that is designated in the procedures developed by the Department of Developmental Services.

(b) Each facility shall note in its report that, when a client is denied a specific right, the client's record is identifiable and can be located for purposes of analysis and investigation by the Department of Developmental Services.

Note: Authority cited: Section 208(a), Health and Safety Code. Reference: Section 1278, Health and Safety Code. Sections 4502, 4503, 4504, and 4505, Welfare and Institutions Code.
