Section 76313@ Developmental Program Services-Client Assessment

## **76313 Developmental Program Services-Client Assessment**

### **(a)**

A client assessment shall be completed within 30 days following admission and annually thereafter. The assessment shall be on a form approved by the Department. The assessment shall be by a client's interdisciplinary team, including members of the direct care staff and at least one representative of the regional centers or Continuing Care Services Branch of the Department of Developmental Services. In the case of state hospitals, a designee may be substituted for regional center or Continuing Care Services Branch staff. The assessment shall include: (1) A review and updating of the preadmission evaluation. (2) Identification of the client's developmental status which includes problems, disabilities, developmental strengths and weaknesses, client's service needs and placement potential which provide the basis for formulating an appropriate program for the client. (3) A written evaluation stated in terms of goals and objectives.
