Section 76657@ Infectious Waste

## 76657 Infectious Waste

Infectious waste, as defined in Health and Safety Code Section 25117.5, shall be handled and disposed of in accordance with the Hazardous Waste Control Law, Chapter 6.5, Division 20, Health and Safety Code (beginning with Section 25100) and the regulations adopted thereunder (beginning with Section 66100 of this Title).
