

## **76878 Nursing Services-Staff**

### **(a)**

The facility shall provide by employment or formal contract for the services of a registered nurse to visit the facility for health services and client health assessment as needed, but no less than one hour per week per client.

### **(b)**

The licensee shall delegate to the registered nurse the authority, in writing, to carry out the nursing functions as required in these regulations. The registered nurse shall have the authority to make judgments regarding client-health issues, within the scope of the Nursing Practice Act.
