

§ 76615. Client Room Furnishings.

(a) Each client shall be provided in the client's room, at least the following:

(1) A separate bed of proper size and height.

(2) A clean, comfortable mattress.

(3) Bedding appropriate for weather and climate and in good repair.

(4) Proper means for illumination.

(5) Overbed tables as needed by client.

(6) Chair, as needed by client.

(b) The facility shall permit each client to bring some personal furniture from home providing that all furniture items are in accordance with fire and safety laws and regulations.

Note: Authority cited: Section 208 (a), Health and Safety Code. Reference: Section 1276, Health and Safety Code.
