

76944 Housekeeping

(a)

Each facility shall routinely clean articles and surfaces such as furniture, floors, walls, ceilings, supply and exhaust grills and lighting fixtures.

(b)

There shall be written routines and procedures specifying daily, weekly and monthly cleaning schedules, for all areas of the facility.

(c)

There shall be cleaning supplies and equipment available to meet the needs of the facility.

(d)

Clients shall not have access to cleaning supplies and equipment unless so specified in the client's individual service plan.

(e)

The interior of the facility shall be maintained in a safe, clean, orderly and attractive manner free from offensive odors.

(f)

Closets, sinks and storage areas shall be maintained to meet the needs of the facility.
