

## § 76629. Housekeeping.

---

- (a) Each facility shall routinely clean articles and surfaces such as furniture, floors, walls, ceilings, supply and exhaust grills and lighting fixtures.
- (b) There shall be routines and procedures indicating daily, weekly and monthly cleaning schedules, for all areas of the facility.
- (c) There shall be cleaning supplies and equipment available to housekeeping staff to meet the needs of the facility.
  - (1) Cleaning supplies and equipment shall be stored in rooms for housekeeping use only and shall not be accessible to clients unless so specified in the client's individual program plan.
  - (2) A commercial detergent germicide shall be used for all cleaning.
  - (3) Mop heads shall be removable and changed after each day's use.
- (d) There shall be housekeeping personnel to maintain the interior of the facility in a safe, clean, orderly and attractive manner free from offensive odors.
- (e) A person qualified by experience and training shall be in charge of the housekeeping department.
- (f) Janitor's closets, service sinks and storage areas shall be maintained to meet the needs of the facility.
