

77073 Interdisciplinary Treatment Plan

(a)

A written interdisciplinary treatment plan shall be developed and implemented by the interdisciplinary treatment team for each patient as soon as possible after admission but no longer than 72 hours following the patient's admission, Saturdays, Sundays and holidays excepted.

(b)

The interdisciplinary treatment plan shall include as a minimum: (1) A statement of the patient's physical and mental condition, including all diagnoses. (2) Specific goals of treatment with interventions and actions, and observable, measurable objectives. (3) Methods to be utilized, the frequency for conducting each treatment method and the person(s) or discipline(s) responsible for each treatment method.

(1)

A statement of the patient's physical and mental condition, including all diagnoses.

(2)

Specific goals of treatment with interventions and actions, and observable, measurable objectives.

(3)

Methods to be utilized, the frequency for conducting each treatment method and the person(s) or discipline(s) responsible for each treatment method.

(c)

The interdisciplinary treatment plan shall be reviewed and modified as frequently as the patient's condition warrants, but at least weekly.
