Section 77079.12@ Pharmaceutical Services-Staff

77079.12 Pharmaceutical Services-Staff

(a)

Facilities shall retain a consulting pharmacist who devotes a sufficient number of hours during a regularly scheduled visit, for the purpose of coordinating, supervising and reviewing the pharmaceutical service at least quarterly. The report shall include a log or record of time spent in the facility. There shall be a written agreement between the pharmacist and the facility which includes the duties and responsibilities of both.

(b)

A pharmacist shall review the drug regimen of each patient at least monthly and prepare appropriate reports. The review of the drug regimen of each patient shall include all drugs currently ordered, information concerning the patient's condition relating to drug therapy, medication administration records, and where appropriate, physician's progress notes, nurse's notes, and laboratory test results. The pharmacist shall be responsible for reporting, in writing, irregularities in the dispensing and administration of drugs and other matters relating to the review of the drug regimen to the clinical director and the director of nursing service.
