

## **77093 Clinical Director**

### **(a)**

Each facility shall have a clinical director who shall direct the clinical program, provide general direction to professional and non-professional staff, and be responsible for the quality of clinical services performed in the facility. The clinical director shall be a licensed mental health professional. The clinical director shall have at least three years of post-graduate direct clinical experience with the mentally disordered.

### **(b)**

When the clinical director is part of the overall structure of a county mental health program, the county organization chart must show a line of reportability to the director of mental health.
