Section 78425@ Transportation Safety

78425 Transportation Safety

(a)

An adult day health center which provides direct transportation services for participants shall meet specific operational standards. The motor vehicle shall: (1) Be operated only by drivers who have a current license from the California State Department of Motor Vehicles and who meet the provisions of Section 12804 of the California Vehicle Code. (2) Be equipped with safety devices to protect participants during transportation. (3) Be equipped to accommodate participants with physical disabilities and participants' special equipment. (4) Be maintained in a safe and reliable condition and shall meet the provisions of Section 233 of the California Vehicle Code.

(1)

Be operated only by drivers who have a current license from the California State Department of Motor Vehicles and who meet the provisions of Section 12804 of the California Vehicle Code.

(2)

Be equipped with safety devices to protect participants during transportation.

(3)

Be equipped to accommodate participants with physical disabilities and participants' special equipment.

(4)

Be maintained in a safe and reliable condition and shall meet the provisions of Section 233 of the California Vehicle Code.

(b)

The center shall develop policies regarding transportation safety and maintenance of vehicles.
