

## § 76703. Class “A” Violations.

---

A class “A” violation is any violation of a statute or regulation relating to the operation or maintenance of any facility which presents an imminent danger to the clients of the facility or a substantial probability that death or serious physical harm would result therefrom. A physical condition or one or more practices, means, methods or operations in use in a facility may constitute such a violation.

Note: Authority cited: Section 208(a), Health and Safety Code. Reference: Section 1424(a), Health and Safety Code.
