

## **79111 Posting of License and Consumer Information**

### **(a)**

The license, or a true copy thereof, shall be posted in a prominent location within the licensed premises and accessible to public view.

### **(b)**

Any approval of the Department granted under program flexibility shall be posted beside the CDRH's license.

### **(c)**

Patient rights, as specified in Section 79313 shall be prominently posted in both English and the predominant language of the community if other than English and explained in a language or in a medium readily comprehensible by the patient.

### **(d)**

The following consumer information shall be posted in a prominent location accessible to public view: (1) Name and date of employment of the current medical director and administrator of the CDRH. (2) A listing of all services and special programs provided in the CDRH and those provided through written contracts. (3) A notice that the CDRH's written admission and discharge policies are available upon request to the public from the administrator. (4) Written notification that the most recent licensing visit report supported by the related follow-up plan of correction visit reports are available to the public upon request from the administrator. (5) A notice of the name, address and telephone number

of the district office of the Licensing and Certification Division, Department of Health Services, having licensing and certification jurisdiction over the CDRH.
