

79509 Clinical Psychologist

Clinical psychologist means a person licensed as a psychologist by the Board of Psychology and (1) who possesses an earned doctorate degree in psychology from an educational institution meeting the criteria for subdivision (c) of Section 2914 of the Business and Professions Code and (2) has not less than two years clinical experience in a multidisciplinary facility licensed or operated by this or another State or by the United States to provide health care, or (3) is currently listed in the National Register of Health Service Providers in Psychology, as adopted by the council for the National Register of Health Service Providers in Psychology. On the effective date of this regulation, a licensed psychologist employed in a correctional setting providing inpatient mental health care for at least two years shall be deemed to meet the requirements of the regulation.
