Section 80092.11@ Tracheostomies

80092.11 Tracheostomies

(a)

A licensee of an adult CCF may accept or retain a client who has a tracheostomy if all of the following conditions are met: (1) The licensee is in compliance with Section 80092.1. (2) Either the client is mentally and physically capable of providing all routine care for his/her tracheostomy and the physician has documented that the tracheostomy opening (stoma) is completely healed, or assistance in the care of the tracheostomy is provided by a licensed professional.

(A) The licensed professional may delegate routine care for the tracheostomy to facility staff who receive supervision and training from the licensed professional as specified in Sections 80092.1(k) through (k)(2).1. Suctioning shall not be delegated to facility staff. (3) The licensee monitors the client's ongoing ability to provide all routine care for his/her tracheostomy in accordance with the physician's instructions. (4) The licensee ensures that tracheostomy care is provided by a licensed professional when the client is unable to provide self-care.

(1)

The licensee is in compliance with Section 80092.1.

(2)

Either the client is mentally and physically capable of providing all routine care for his/her tracheostomy and the physician has documented that the tracheostomy opening (stoma) is completely healed, or assistance in the care of the tracheostomy is

provided by a licensed professional. (A) The licensed professional may delegate routine care for the tracheostomy to facility staff who receive supervision and training from the licensed professional as specified in Sections 80092.1(k) through (k)(2).1. Suctioning shall not be delegated to facility staff.

(A)

The licensed professional may delegate routine care for the tracheostomy to facility staff who receive supervision and training from the licensed professional as specified in Sections 80092.1(k) through (k)(2).1. Suctioning shall not be delegated to facility staff.

1.

Suctioning shall not be delegated to facility staff.

(3)

The licensee monitors the client's ongoing ability to provide all routine care for his/her tracheostomy in accordance with the physician's instructions.

(4)

The licensee ensures that tracheostomy care is provided by a licensed professional when the client is unable to provide self-care.
