Section 81092.9@ Wounds

81092.9 Wounds

(a)

A licensee may admit or retain a client who has a serious wound if all of the following conditions are met: (1) The licensee is in compliance with Section 81092.1 (2) The wound is either an unhealed, surgically closed incision or wound, or determined by the physician or a licensed professional designated by the physician to be a Stage 1 or 2 dermal ulcer and is expected by the physician or designated professional to completely heal. (3) The licensee ensures that a licensed professional in accordance with the physician's instructions provides the wound care. (A) The licensed professional may delegate simple dressing to facility staff who receive training from a licensed professional as specified in Sections 81092.1(k) through (k)(2). (4) The licensee ensures that a licensed professional assesses the wound at intervals set by the physician, or a licensed professional designated by the physician, to evaluate treatment and progress toward healing. (5) The licensee ensures that all aspects of care performed by the licensed professional facility staff are documented in the client's file.
