

82079 Planned Activities

(a)

The licensee shall provide opportunities for, and encourage participation in activities, including but not limited to: (1) Activities that require group interaction. (2) Daily living skills, including grooming, personal hygiene, social skills, cooking and simple homemaking tasks, and opportunities to learn about the community. (3) Physical activities, including, but not limited to, games, sports and exercise unless contraindicated by the medical assessment specified in Sections 82069(b) and 82068.2, Needs and Services Plan. (4) Leisure time to pursue personal interests. (5) Education through special instruction and projects.

(1)

Activities that require group interaction.

(2)

Daily living skills, including grooming, personal hygiene, social skills, cooking and simple homemaking tasks, and opportunities to learn about the community.

(3)

Physical activities, including, but not limited to, games, sports and exercise unless contraindicated by the medical assessment specified in Sections 82069(b) and 82068.2, Needs and Services Plan.

(4)

Leisure time to pursue personal interests.

(5)

Education through special instruction and projects.

(b)

The licensee shall provide the equipment and supplies necessary to meet the requirements of the planned activity program. (1) Equipment shall be safe and sanitary. (2) A variety of games, reading material, crafts and other materials shall be provided.

(1)

Equipment shall be safe and sanitary.

(2)

A variety of games, reading material, crafts and other materials shall be provided.

(c)

Provision shall be made for client rest periods which are required based on the medical assessment specified in Section 82069 or as desired by the client.

(d)

Activities shall be encouraged through provision of space, equipment and supplies as specified in Sections 82079(b), 82087.2, Outdoor Activity Space, and 82087.3, Indoor Activity Space.

(e)

Activities shall be designed to meet the client's specific needs and interests, as determined by the Needs and Services Plan, and shall be consistent with the program's plan of operation. (1) Activities shall be planned by the administrator or the direct care staff allowing input from clients, family, careproviders, or volunteers. (2) A written plan of activities shall be consistent with the program goals. The plan is an on-going process, and shall be reviewed and revised as necessary to assure that the program and clients' goals are being met. (3) All

program activities shall be supervised by direct care staff. (4) A schedule of activities shall be made available upon request.
